To VIKTOR. [1]

ROBERT[11] reports:

1. During his visit to the Chinese 8th Army General HURLEY[a][111] asseverated his friendship. CHOU EN-LAI should be warned that H.[Kh.] cannot be trusted. We think H. is a CHIA-HUO LU-[O% TU] (Stooge)[a] of CHIANG KAI-SHEK. Even the BANK[iv] considers H.'s views to be in contradiction to the BANK's policy.
2. IZBA[v] has passed on to the Army a list of 20,000 "reliable Germans" with whom IZBA considers it safe to have dealings. It is impossible to obtain the list here at the moment. Perhaps it could be procured in SIDON[vi]. An analogous list of Austrians has been compiled by the ISLANDERS[OSTROVITYANE][vii].
